

No set course, *just a pathway to follow together*

No gurus, *just expert guides, there when you need them*

No special effects, *just bold practice*

No models, *just creative differences*

No brainwaves, *just group enthusiasm*

No fancy titles, *just a backpack*

No testimonials, *just experiences to imagine*

No simulations, *just tangible products*

No interdisciplinary paradigms, *just deep insights*

No internships, *just portfolios*

No perimeters, *just breaking the boundaries*

No modules, *just completed projects*

No expertise required, *just a beginner's mindset*

No mission, *just sleeves rolled up*
